Lisa Carlton
Jacque Dewees

Dear Members of the Northfield Community,

On behalf of the City of Northfield, we are pleased to share that our community will be joining municipalities across the nation in commemorating the 250th Birthday of the United States of America. This historic milestone offers a unique opportunity to celebrate our nation's founding, honor its enduring principles, and bring our community together through meaningful and patriotic events.

To help make this celebration a success, the City of Northfield respectfully requests your consideration of a donation and/or sponsorship in support of our planned commemorative activities. Your generosity will directly contribute to community events such as parades, educational programs, concerts, historical displays, fireworks, etc., all designed to engage residents of all ages while highlighting local pride and civic spirit.

Donations may be sent to City Hall and should be made payable to the **"City of Northfield"**, with a memo notation indicating **"America 250th Celebration"**.

Businesses that choose to participate will be acknowledged as valued community partners through social media or other recognition opportunities, demonstrating your commitment to Northfield and to this once-in-a-generation national celebration.

We would be honored to have you involved in this historic occasion. Should you have any questions or wish to discuss sponsorship opportunities, please contact:

Joan Brennan
City of Northfield Cultural Committee

cultural@cityofnorthfield.org

Thank you for your continued support of the City of Northfield and for helping us celebrate this important chapter in our nation's history. Together, we can create a memorable and meaningful America 250 celebration for our entire community.

With sincere appreciation,

Your 250th Committee
