**“Green Eggs & Ham” Brunch
at the Northfield Public Library**

At 11 a.m. on Saturday, July 19th at the Northfield Public Library, 241 Mill Road in Northfield, local children will listen to *Green Eggs And Ham*, the classic Dr. Seuss book. They can also actually eat Dr. Seuss’ most delectable imaginary creation, when the library staff serves *real* green (deviled) eggs and ham, along with corn muffins and juice. There will also be a colorful Dr. Seuss art activity for everyone to do and take home as a souvenir.

Green Eggs and Ham teaches children that they shouldn’t be afraid to try new things -- they might like them! The story also demonstrates the value of persistence; just because someone says “no,” don’t give up -- they might change their mind!

The Library cordially invites the young and the young at heart to its Green Eggs and Ham Brunch. You never know -- you might like it! For more information, contact the Northfield Public Library at 646-4476.
