

Beautify the Bike Path!

Dear Northfield Neighbor,

Since the Northfield Bike Path is almost as busy as the boardwalk, why not add your personal touch by donating a tree plaque or a bench. Take this opportunity to celebrate the life of a loved one, a family or an organization, with a donation that will make a difference to the residents of Northfield for years to come.

BENCHES. In keeping with ecological spirit of the bike path, these new benches are made of low maintenance recycled materials. The cost of a bench with an attached plaque is \$1250.00. Use this form to order your donation and specify the lettering on the plaque.

The 5" x 12" aluminum plaques have two lines of 20 letters and spaces, for up to four lines of text. Please be sure to include spaces and punctuation.

Inappropriate inscriptions will be rejected by the Bike Path Committee. The City of Northfield will install these items securely, but assumes no liability for damage, theft or vandalism. We will send you a proof of your plaque for approval, please return it promptly to City Hall.

No adornments of any kind, including flowers, plants, or other decorative or commemorative items may be placed on or around the benches. Any such items will be removed by the Public Works Department, with or without notice.
