

CITY OF NORTHFIELD, NJ
ORDINANCE NO. 13-2013

**AN ORDINANCE OF THE CITY OF NORTHFIELD ESTABLISHING
AN ENERGY AND NATURAL GAS AGGREGATION PROGRAM**

WHEREAS, the State of New Jersey has been engaged in a process to establish a competitive market place through deregulation and restructuring the electric utility market and natural gas market; and

WHEREAS, the establishment of a government aggregator and an energy aggregation program to purchase electric generation service and natural gas pursuant to N.J.S.A. 48:3-93.1 et seq. and N.J.A.C. 14:4-6.1 et seq. will increase competition for the provision of electric power and natural gas to residential and non-residential users, thereby possibly increasing the likelihood of lower electric rates and natural gas rates for these users without causing any interruption in service; and

WHEREAS, under the aggregation process the residential and non-residential ratepayers may receive a direct reduction in their electric bills and gas bills; and

WHEREAS, the realization of energy costs savings is in the interests of the health, safety and welfare of the residents of the City of Northfield; and

WHEREAS, the City of Northfield hereby finds that it is in the best interests of residential and non-residential electric and gas ratepayers for the City of Northfield to create the opportunity for them to enter into an aggregation agreement in order to seek substantial savings on electric and gas rates; and

NOW, THEREFORE BE IT ORDAINED, by the Council of the City of Northfield in the County of Atlantic and the State of New Jersey, duly assembled in public session, as follows:

1. The City of Northfield publicly declares its intent to become an aggregator of electric power and natural gas on behalf of its residential and non-residential users of electricity and natural gas pursuant to the Government Energy Act of 2003, N.J.S.A. 48:3-91.3 to -98, and implementing regulations.
2. The City of Northfield will utilize Commercial Utility Consultants' Reverse Energy Auction Platform pursuant to the NJ E-PROCUREMENT Pilot program (P.L. 2001, c.30) under the NJ Department of Community Affairs. The Reverse Energy auction will seek bids from licensed and appropriate third party suppliers. If such winning bid is selected and agreement executed, individual residential consumers would retain the

option not to participate and to choose any alternatives they desire, while non-residential ratepayers would also have the right to participate.

3. The Mayor and City Clerk are hereby authorized and directed to execute any documents necessary to carry out the purpose of the Ordinance.
4. All ordinances and parts of ordinances inconsistent herewith are hereby repealed.
5. If any portion of this ordinance shall be deemed invalid by any court of competent jurisdiction, the remainder shall survive in full force and effect.
6. This ordinance shall be effective immediately upon adoption and publication in accordance with law.

Mary Canesi, RMC
Municipal Clerk

Vince Mazzeo
Mayor

The above Ordinance was passed on first reading at a regular meeting of the Council of the City of Northfield, New Jersey on the 8th day of October, 2013, and was taken up for a second reading, public hearing and final passage at a meeting of said council held on the 22nd day of October, 2013, in Council Chambers, City Hall, Northfield, New Jersey.
